OLIST E-COMMERCE DASHBOARD

Executive Dashboard

Sales | **Products** | **Region** | **Delivery** | **Customer Review**

The business generated **%16.01 M** in total revenue from **96k orders and 99k customers.**

Product Revenue is at **$13.6 M** with Beleza Saude, Releogois Presentes driving strong revenue.

Revenue is highly concentrated in few regions. Sao Paulo with around $5.8M, followed by Rio de Janerio and Minas Gerais. This also creates a substantial risk

Some states have much slower delivery times Roraima, Amapa and Amazonas showing the highest average delivery days.

Overall, the Olist shows strong sales performance, but revenue is concentrated in selected categories and regions. Delivery is generally reliable but some regions need attention to reduce delays and improve customer experience
